

Fund Overview

June 2020

SI Multistrategy Fund allows investors to participate in the growth of the private lending industry and other non-traditional or “alternative” investment strategies. Through a single investment, investors access multiple fund managers specializing in various lending strategies and have exposure to thousands of loans. The Fund identifies and invests into high quality managers with experience in niche areas within private credit such as real estate lending, small business lending, life settlements, consumer and other lending and specialty finance strategies.
